Go Green. Save Fuel.

Retrofit your MCI® D Series coaches, model years 1993-2002 (through unit 55605 with S60 engines) by replacing the air-actuated on-off clutches with Linnig® 2-speed electromagnetic fan clutches

These 2 speed fan clutches feature:

- Noise reduction due to fewer clutch engagements
- Fail-safe design due to eddy current system
- No air leakage
- Simple plug-and-play wire harness
- Longer intervals between scheduled maintenance means cost savings
- 12 month unlimited mileage manufacturer's limited warranty

Limited time introductory offer!
